

INSTRUCTIONS:

1. Fill out thoroughly. All measurements are required, except "H" (wood inlay).
2. "H" must be included for tables with inlay.
3. Write in actual measurements. Do not include extra inches for wrap around. We will add 2 extra inches to each side based on your specifications, which will allow for wrap around. Adding wrap around inches twice will result in price increase.
4. Fax to 1-877-722-3053 or e-mail to art@ryeparkgaming.com
